

LEGAL AID CAMP [AUGUST 19TH 2018]

The Legal Aid and Awareness Committee (LAAC), promoting its objective of Access to Justice for All, has successfully organized a Legal Aid Camp in the Amritlal Stadium, Chainpura , Jodhpur on 19th August 2018. The members of the Committee heard the issues of the people and tried to provide appropriate legal advice to them. The Committee apart from providing Legal Advice to several queries and matters received four cases on issues related to Service rules, Constitutional law in policy matters, corruption in Departmental inquiry and government schemes.

The camp was successful in its objective and thereby led to an enthusiastic response from the nearby residents who turned out in large numbers to avail the legal aid and it is delightful that people have shown complete faith in the works of the committee. Consequently, the event was another feather in the cap of Committee working towards justice for all.
