

LECTURE BY MR. ABHIJAY NEGI

The Legal Aid and Awareness Committee ('LAAC') organized a lecture on January 23, 2018 by Mr. Abhijay Negi, one of the brightest students of NLU, Jodhpur, on the subject **Journey as the Founder of MAD and BCL in Oxford**. Abhijay started by recounting his experiences in Oxford and gave some advice relating to getting admission in prestigious universities abroad. He also highlighted how studies in Oxford and India differ in his experience. Further, he gave an overview of his college life by showcasing the difficulties he experienced in balancing the work-filled college life with all the work he had as the founder of MAD. He had to take frequent trips to Dehradun to manage the different programs organized by MAD. Despite all the difficulties, he ended up passing out with one of the highest batch ranks in his batch. He also shed light on how to handle being different from the rest of the batch and even go against the expectation of seniors. The lecture was a motivating experience for all the students which with a message that they can pursue their dreams against all odds and be different from the herd.
