

Poster Making Competition (5th – 10th August, 2017)

The Legal Aid and Awareness Committee, National Law University, Jodhpur organised a poster making competition with help of 23 volunteers in 12 schools of Jodhpur on 5th August, 2017. The topic for the competition was "Legal Awareness". Almost 1200 students studying in classes 6th to 10th participated enthusiastically. The students prepared the posters on various legal rights which we as citizens of our country have. Top 3 entries from each class were selected which provided us with 15 entries per school. The initial selection was carried out by a team of teachers at all schools. Out of the 180 entries, the top 20 posters selected will be used in a rally to be organised by the Committee to apprise the Jodhpur locals of their legal rights and the remedies available to them, if the same legal right is infringed upon. The school administration was extremely cooperative. They were happy to associate with Committee for the present endeavour and we hope to continue this endeavour and strengthen our relations with the schools of Jodhpur. The school authorities also applauded the efforts of the Committee.

After much deliberation, the top 20 entries were identified and the outstanding artists behind them were felicitated at National Law University, Jodhpur on 10th August 2017. The Hon'ble Vice Chancellor Prof. Poonam Saxena enlightened the students about the role they can play in the betterment of this society. Further, Committee members conducted an interactive session with the students and told them that the LAAC can be contacted for any legal help. This marked an important milestone in the Committee's relationship with the people of Jodhpur whom it wishes to serve.
